

8 February 2019

Dear Parent/Carer

**Re: SCISSA Regional Sport Trials**

School Sport offers high level performing students, the pathway of representative team selection in a very wide range of sports each year.

The first stage, for any students wishing to participate in a team, will be to demonstrate their ability to me at lunchtime, and if successful, collect the necessary paperwork and pay the required levy (instructions in the paperwork). I have spoken with all Year 4-7 students about the trials, and will keep them updated about lunchtime qualifying sessions.

The second stage is trialling for a SCISSA (Sunshine Coast Independent School Sports Association) District team. These teams are selected from the 11 member Schools/Colleges on the Sunshine Coast. From there, SCISSA teams contest the Sunshine Coast Regional Trials (encompassing all state and independent schools between Narangba and Pomona), and then on to QLD state championships and finally national championships.

The SCISSA trials (to be held at various locations around the Coast) are coming up very soon. Trials are scheduled for:

- |                                    |  |
|------------------------------------|--|
| • Boys' & Girls' Golf              | nominations direct to region by 9 February |
| • Girls' Softball                  | TBA - late February                        |
| • Boys' & Girls' Basketball        | 25 February                                |
| • Boys' & Girls' Football (soccer) | 26 February                                |
| • Boys' & Girls' Touch (not Oztag) | 27 February                                |
| • Boys' & Girls' AFL               | 28 February                                |
| • 12 years Girls' Netball          | 1 March                                    |
| • 10-11 years Girls' Netball       | 5 March                                    |

One team of each gender will be selected out of all 10-12 year olds.

If you have any questions, please feel free to contact me via email at [darrenl@calcc.qld.edu.au](mailto:darrenl@calcc.qld.edu.au).

Kind regards
