## Student Bus Rules

The Bus Driver's role is to safely drive students between the College and their home, therefore the bus driver has complete authority over the Bus and all students on board.

### As a student using our buses, you are required to:

- Wait in a safe and organised manner. Enter and exit in a quiet, safe, polite and organised manner.
- Avoid any action, noises or words that could distract the driver. Be respectful and use quiet voices.
- For your own safety, remain sitting facing the front with your back against the seat (no turning around). Seat belts must be worn correctly, firmly fitted across the lap and sash belt a firm fit across the body. Do not move from your seat and remain seated until bus stops. Should you wish to move, ask the Bus Driver for permission.
- Keep everything inside the bus. Nothing should be placed through or outside the windows.
- Show respect: Care for others and their property: Keep hands, feet and other objects to yourself. No put downs, teasing, name calling or swearing. No lewd behaviour. Do not put your feet on the seat or the back of the seat in front of you.
- All College Rules apply on the bus including remaining in full school uniform with shoes on at all times.
- If you see any inappropriate behaviour of another student on the bus or feel you are being harassed or under threat please report to the Bus Driver immediately, so they can address the situation. In an emergency, alert the bus driver.
- The use of image capturing and voice recording devices such as cameras, voice recorders and video including those components on mobile phones and iPod etc. are not permitted.
- Gaming consoles, laptops and music devices are permitted to be used on the bus. All College policies in regard to these items still apply on the bus and include the following restrictions: All devices must be used either on silent mode or with earphones. The students are responsible for the safety and care of their own electronic device. To ensure the safety of students, accessing social network sites such as Facebook or texting and emailing are not permitted. Students are only permitted to make a phone call on their mobiles if permission is first granted from the Bus Driver. These devices are for personal use only and not for sharing.
- No eating on the bus, including lollies or gum. Water bottles with caps are permitted only.
- All sporting equipment, including balls, must be left at the front of the bus, luggage compartment or as the driver directs.
- When departing the bus, please remove all your rubbish.
- Leave the bus stop in a safe manner, staying to footpaths and following all road safety. Never walk behind or in front of a stationary bus. Always wait until the bus has left unless directed by a bus driver or other Caloundra Christian College staff member.
- Regular travellers - your parent/carer must contact the College as early as possible should there be any changes to your bus travel plans.
- Remember that your place on the bus depends on your behaviour and your adherence to Student Bus Rules. Please show your respect and courtesy to the bus driver and fellow students at all times.

## Student Bus Rules

- The buses are equipped with CCTV and passengers may be recorded during each journey. Footage may be used to determine appropriate discipline if the bus rules are disregarded.
- Students need to move promptly to their assigned bus in the afternoon to allow buses to leave the College by the scheduled departure time.
- Students wishing to change travel arrangements for example travelling to a friend's house, must provide written request from their parents/carer and allow sufficient time for this change to be approved and implemented.
